

Anti-Law Enforcement Candidate Johnathon Ervin Attacks Our Lancaster Deputy Sheriffs

***Ervin leads protest against Law Enforcement
...Lancaster Sheriff's Deputies
slandered as "Murderers and Thugs!"***

A CALL TO ACTION for Lancaster Residents!

From the Desk of
Mayor R. Rex Parris

Dear Fellow Citizen,

Do you remember how bad things were in Lancaster only four and a half years ago? Gang crime was out of control. We heard gunfire at night from our homes. Families were afraid to go out after dark. Thankfully, things are much better today.

Unfortunately, one of the candidates running for City Council wants to turn back the clock and make Lancaster a magnet for street gangs and section 8 housing abuse once again. This liberal candidate's name is Johnathon Ervin.

Last year, **Ervin organized and led an anti-Law Enforcement protest** to attack our Lancaster Deputy Sheriffs. Ervin spoke at the protest where our deputies were repeatedly and publicly labeled **“Murderers and Thugs.”**

Electing Ervin to the City Council would give street gangs a green light to resume their criminal activities in Lancaster. If he is on the council he will know about on-going operations to fight the gangs. When he passes this information to his friends, the safety of our Deputies and our families will be in jeopardy. By **not voting**, you will be helping gangs to roam our streets and threaten our Deputies and our families.

We need you and your entire family to vote in the April 8th election—and to cast your votes for Lancaster's pro-Law Enforcement Team of City Councilmembers Ron Smith and Marvin Crist.

If you have a Vote-By-Mail ballot, **take ACTION by filling out your ballot and mailing it in TODAY.** If you have not applied to Vote-By-Mail, please use the form on your sample ballot to sign up.

Please join me and our Lancaster Deputy Sheriffs in VOTING for Ron Smith and Marvin Crist for City Council.

Sincerely,

Rex
