DISPLAYS

Did you know.....

Our blood drives have contributed 207 units of blood to the Antelope Valley Hospital?

The blood donated at the AVH Donor Center stays at the AV Hospital?

That every pint of blood can help 3 people?

The AVH Blood Donor Center will be accepting blood donations on behalf of our cause throughout the month of May. Appointments are strongly encouraged. Please call the AVH Blood Donor Center at: 661-949-5622.

Brought to you by the family & friends of Zac Lutz. 661-902-3497/661-305-6285
