

Celebrate a SEASON -of- SERVICE

The City of Palmdale invites residents to celebrate a Season of Service. Throughout 2016, the City's Season of Service will promote a *Serve or Give* theme. Palmdale organizations such as SAVES, ACT, Neighborhood Houses, etc., have developed wish lists of items and services needed with the goal of encouraging people who can't participate in scheduled events to create their own projects around the lists and deliver the collected goods to one of the events.

Season of Service is designed to offer service projects for residents to join, and will include a monthly service day as well as information for community members to develop their own projects. Last year, Palmdale residents donated over 40,000 hours of service towards making Palmdale an even better place to live.

For more information about the Season of Service and other opportunities, please visit www.cityofpalmdale.org/Engaged, or call Community Programs at 661/267-5473.
