### Narrative:

On January 28, 2016, Deputy Munoz of the Lancaster Station Burglary Suppression Team detained both suspects regarding a possible burglary investigation. During his investigation the deputy discovered both suspects were in possession of possible stolen property. Deputy Munoz contacted the owners of the property and discovered they were the victims of an unreported residential burglary. Upon further investigation, it was discovered the elderly victim had fallen in front of his residence and subsequently broke his hip. The suspects approached the victim with an unidentified female under the guise of good Samaritans and helped him back into his residence. However, they did not summon emergency personnel. They notified the victim's family members by telephone and advised them the victim had fallen. Before the victim's family was able to respond, the suspects ransacked the victim's residence and stole several items.
